Ed Sheeran - Shape of You

The club isn't the best place to find a lover
So the bar is where I go
Me and my friends at the table doing shots
Drinking faster and then we talk slow
Come over and start up a conversation with just me
And trust me I'll give it a chance now
Take my hand, stop
Put Van The Man on the jukebox
And then we start to dance
And now I'm singing like

Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me
Say, boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come, come on now, follow my lead

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body
Oh—i—oh—i—oh—i—oh—i
I'm in love with your body
Oh—i—oh—i—oh—i—oh—i
I'm in love with your body

Oh—i—oh—i—oh—i—oh—i
I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you

One week in we let the story begin
We're going out on our first date
You and me are thrifty
So go all you can eat
Fill up your bag and I fill up a plate
We talk for hours and hours about the sweet and the sour
And how your family is doing okay
Leave and get in a taxi, then kiss in the backseat
Tell the driver make the radio play
And I'm singing like

Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me
Say, boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come, come on now, follow my lead

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new

I'm in love with your body
Oh—i—oh—i—oh—i—oh—i
I'm in love with your body
Oh—i—oh—i—oh—i—oh—i
I'm in love with your body
Oh—i—oh—i—oh—i—oh—i
I'm in love with your body
Every day discovering something brand
new

I'm in love with the shape of you

Come on, be my baby, come on
Come on, be my baby, come on

I'm in love with the shape of you
We push and pull like a magnet do

Although my heart is falling too
I'm in love with your body
Last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand
new

I'm in love with your body
Come on, be my baby, come on
Come on, be my baby, come on
I'm in love with your body
Come on, be my baby, come on
Come on, be my baby, come on
I'm in love with your body
Come on, be my baby, come on
I'm in love with your body
Every day discovering something brand
new

I'm in love with the shape of you

Justin Timberlake - Can't stop the feeling

I got this feeling inside my bones
(It goes electric, wavey when I turn it on)
All through my city, all through my home
We're flying up, no ceiling, when we in our zone...

I got that sunshine in my pocket
Got that good song in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so phenomenally
You gon' like the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine
Nothing I can see but you when you dance, dance, dance
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
All those things I should do to you
But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance, come on

Ooh, it's something magical
It's in the air, it's in my blood, it's rushing on
I don't need no reason, don't need control
I fly so high, no ceiling, when I'm in my zone

Cause I got that sunshine in my pocket
Got that good song in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so phenomenally
You gon' like the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine
Nothing I can see but you when you dance, dance, dance
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
All those things I should do to you
But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So keep dancing, come on

I can't stop the, I can't stop the
I can't stop the, I can't stop the
I can't stop the feeling...

Nothing I can see but you when you dance, dance, dance
(I can't stop the feeling)
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
(I can't stop the feeling...)
All those things I should do to you

But you dance, dance, dance
(I can't stop the feeling...)
And ain't nobody leaving soon, so keep
dancing

Everybody sing!
(I can't stop the feeling)
Got this feeling in my body
(I can't stop the feeling)

Got this feeling in my body
(I can't stop the feeling)
Wanna see you move your body
(I can't stop the feeling)
Got this feeling in my body
Break it down
Got this feeling in my body
Can't stop the feeling...

Calvin Harris ft. Rihanna - This Is What You Came For

Baby, this is what you came for
Lightning strikes every time she moves
And everybody's watching her
But she's looking at you, oh, oh
You, oh, oh, you, oh, oh
You, oh, oh, you, oh, oh
You, oh, oh
Oh, oh

Who knows why it's gotta be this way
We say nothing more than we need
I say "your place" when we leave

Lightning, this is what you came for
Lightning strikes every time she moves

And everybody's watching her
But she's looking at you, oh, oh
You, oh, oh, you, oh, oh
You, oh, oh, you, oh, oh

Taylor Swift – Shake it off

I stay out too late, got nothing in my brain

That's what people say, that's what people say

I go on too many dates, but I can't make them stay

At least that's what people say, that's what people say

But I keep cruising

Can't stop, won't stop moving

It's like I got this music in my mind

Saying it's gonna be alright

Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

Heartbreakers gonna break, break, break, break, break

And the fakers gonna fake, fake, fake, fake, fake

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

I never miss a beat, I'm lightning on my feet

And that's what they don't see, that's what they don't see

I'm dancing on my own, I make the moves up as I go

And that's what they don't know, that's what they don't know

But I keep cruising

Can't stop, won't stop grooving

It's like I got this music in my mind

Saying it's gonna be alright

Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

Heartbreakers gonna break, break, break, break, break

And the fakers gonna fake, fake, fake, fake, fake

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off

Hey, hey, hey!

Just think while you've been getting down and out about the liars

And dirty, dirty cheats of the world you could've been getting down to this sick beat

My ex-man brought his new girlfriend
She's like, "oh my God", but I'm just gonna shake

And to the fella over there with the hella good hair

Won't you come on over, baby, we can shake, shake, shake

Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

Heartbreakers gonna break, break, break, break, break

And the fakers gonna fake, fake, fake, fake, fake

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

I, I shake it off, I shake it off

I, I shake it off, I shake it off (x 8)

Meghan Trainor - All About That Bass

Because you know I'm all about that
bass,
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass

Yeah it's pretty clear, I ain't no size two
But I can shake it, shake it like I'm
supposed to do
'Cause I got that boom boom that all the
boys chase
All the right junk in all the right places
I see the magazines working that
Photoshop
We know that shit ain't real
Come on now, make it stop
If you got beauty beauty just raise 'em
up
'Cause every inch of you is perfect
From the bottom to the top
Yeah, my momma she told me don't
worry about your size
She says, boys they like a little more
booty to hold at night
You know I won't be no stick-figure,
silicone Barbie doll,
So, if that's what's you're into
Then go ahead and move along

Because you know I'm all about that
bass,
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass

I'm bringing booty back
Go ahead and tell them skinny itches

Hey
No, I'm just playing I know you think
you're fat,
But I'm here to tell you that,
Every inch of you is perfect from the
bottom to the top
Yeah, my momma she told me don't
worry about your size
She says, boys they like a little more
booty to hold at night
You know I won't be no stick-figure,
silicone Barbie doll,

So, if that's what's you're into
Then go ahead and move along

Because you know I'm all about that
bass,
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass

Because you know I'm all about that
bass,
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass

Because you know I'm all about that
bass,
'Bout that bass, no treble
I'm all 'bout that bass, 'bout that bass,
no treble
I'm all 'bout that bass, 'bout that bass,

I'm all 'bout that bass, 'bout that bass

Robin Thicke ft. T.I., Pharrell - Blurred Lines

Everybody, get up
Everybody, get up (hey, hey, hey)
Hey, hey, hey
Hey, hey, hey
(Turn it up)

If you can't hear what I'm trying to say
If you can't read from the same page
Maybe I'm going deaf (hey, hey, hey)
Maybe I'm going blind (hey, hey, hey)
Maybe I'm out my mind (hey, hey, hey)

Okay, now he was close
Tried to domesticate you
But you're an animal
Baby, it's in your nature (meow)

Just let me liberate you (hey, hey, hey)
You don't need no papers (hey, hey, hey)
That man is not your maker (hey, hey, hey)
And that's why I'm gon' take a

Good girl
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted

I hate these blurred lines
I know you want it
I know you want it
I know you want it
But you're a good girl
The way you grab me
Must wanna get nasty
Go ahead, get at me

What do they make dreams for when you
got them jeans on?
What do we need steam for?
You the hottest bitch in this place

I feel so lucky (hey, hey, hey)
You wanna hug me (hey, hey, hey)

What rhymes with hug me? (hey, hey, hey)
Hey! (Everybody, get up)

Okay, now he was close
Tried to domesticate you
But you're an animal
Baby, it's in your nature

Just let me liberate you (hey, hey, hey)
You don't need no papers (hey, hey, hey)
That man is not your maker (hey, hey, hey)
And that's why I'm gon' take a

Good girl
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted

I hate these blurred lines (I hate them lines)
I know you want it (I hate them lines)
I know you want it (I hate them lines)
I know you want it
But you're a good girl
The way you grab me
Must wanna get nasty
Go ahead, get at me

One thing I ask of you
Let me be the one you back that ass up to
(come on)
Go, from Malibu to Paris, boo
Yeah, had a bitch, but she ain't bad as you

So, hit me up when you pass through
I'll give you something big enough to tear
your ass in two
Swag on 'em even when you dress casual
I mean, it's almost unbearable

In a hundred years not dare, would I?
Pull a Pharcyde, let you pass me by
Nothing like your last guy, he too square

for you
He don't smack that ass and pull your hair
for you (you like it)

So I'm just watching and waiting
For you to salute the truly pimping
Not many women can refuse this pimping
I'm a nice guy, but don't get confused, this
pimping

Shake your rump
Get down, get up-a
Do it like it hurt, like it hurt
What you don't like work?
Hey! (Everybody, get up)

Baby, can you breathe?
I got this from Jamaica
It always works for me
Dakota to Decatur

No more pretending (hey, hey, hey)
'Cause now you winning (hey, hey, hey)
Here's our beginning (hey, hey, hey)
I always wanted a

Good girl
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted

I hate these blurred lines

Carly Rae Jepsen - Call Me Maybe

I threw a wish in the well
Don't ask me, I'll never tell
I looked to you as it fell
And now you're in my way

I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way

Your stare was holdin'
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right at you, baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still, you're in my way

I beg and borrow and steal
Have foresight, and it's real
I didn't know I would feel it
But it's in my way

Your stare was holdin'
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right at you, baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

Before you came into my life, I missed you
so bad
I missed you so bad, I missed you so, so
bad
Before you came into my life, I missed you
so bad
And you should know that I missed you so,
so bad

It's hard to look right at you, baby
But here's my number, so call me maybe

Hey, I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me

Jessie J, Ariana Grande, Nicki Minaj - Bang Bang

She got a body like an hourglass
But I can give it to you all the time
She got a booty like a Cadillac
But I can send you into overdrive

See anybody could be bad to you, you
need a good girl to blow your mind,

Bang, bang all over you
I'll let you have it
Wait a minute, let me take you there
Wait a minute til you...
Bang, bang there goes your heart
I know you want it
Back, backseat of my car
I'll let you have it
Wait a minute, let me take you there
Wait a minute til you...

[Ariana Grande]

She might've let you hold her hand in
school
But I'mma show you how to graduate
No, I don't need to hear you talk the

Just come and show me what your

don't say a thing)
See anybody could be good to you,

If they test me they sorry
Ride his c--k, like a Harley
Then pull off in this Ferrari
If we hanging, we banging
Phone ranging, he slanging
It ain't karaoke night but get the mic

[Bridge]

B to the A to the N to the G to the uh
B to the A to the N to the G to the hey
See anybody could be good to you
You need a bad girl to blow your mind

Bang, bang into the room
I know you want it
Bang, bang all over you

I'll let you have it
Wait a minute, let me take you there
Wait a minute til you...
Bang, bang there goes your heart
I know you want it
Back, backseat of my car
I'll let you have it
Wait a minute, let me take you there
Wait a minute til you...

Оги 23 & Дичо – Чернова

Всяка нощ, оставах плът по струните ти,
ти оставаше живот по устните ми.
Изсъхнали цветя, напук, в очите ми,
искам да кажа, за мене, няколко истини.
Всяка нощ, поглеждах през прозореца си,
очаквах гост, за минорите ми.
С лека ръка, запалих сълзите си,
за да те стопля.

Помня звука на твоя смях.
Помня как умирахме от страх,
че ще остареем и ще се превърнем в прах.
Давам живот на песента.
Бягам напред към пропастта.
Идвам, да те търся, от другата страна.

(x2)
Разбрах, че с теб, само си крадеме време.
Видях, че няма кой да ни спаси.
Мълчах и чаках лудостта да спре,
но пак сами сме, както и преди.

Белези, до гроб, оставят пръстите ти,
паника и шок обземат мислите ми.
Обещай, че ще умреш след мен,
защото без теб не мога да изкарам и ден.
Всяка нота, всеки тон, са искрени,
написани с любов и кръв по листа ми.
С лека ръка, ще запаля града,
за да те стопля.

Помня звука на твоя смях.
Помня как умирахме от страх,
че ще остареем и ще се превърнем в прах.
Давам живот на песента.
Бягам напред към пропастта.
Идвам, да те търся, от другата страна.

Оги 23 & Feel – Добър вечер

А онзи лицеви опори прави,
бицепс като Johnny Bravo
Сприхав е на светофара.
Цигара от цигара
Палиме, карай, че пари ми...
Ставаме рано поканени,
слънцето гали ме тънко по лявото рамо
Не бе на мене не ми отива
с тебе да гледаме само филми...
Стига ми може би залеза винаги
като не мога да видя на някоя дините

На небето съм бил,
На морето съм пил,
На Лалето съм карал board и ски
Общо взето е Feel-м с Оги 23
Край-дай и сипи, за да те поздравим.
Семки и царевица, дреме ни за вица ти.
Пея, а те ми свирят- леле, как си
почивам!

Настава вечер, месец изгрява и
четиримата
на тази песен очакваме да се пие
зимата
Картината сега обаче друга е -
пътуваме само на изток
чувам единствено... Спасителии...
сме си сами и знаем,
че и дори ден да бъде ще е безкраен...

Еоо...добър вечер! Дано е вече
We need a dollar и много жени
съблечени
Добър вечер! Дано е вечна,
че тия дни не мога да видя дори морето
ни...
Добър вечер! Дано е вече

съблечени
Добър вечер! Дано е вечна,
че тия дни не мога да видя дори морето
ни...

Абе, добре е тука сме на плажа..
Трябва нещо да ти кажа
Ха-ха-ха-хайде стегни багажа!
Очите ми в гърдите ти,
в колата сме за две минути.
Оги и Feel са най-добрите с атрибутите
ти...

Бира намира се винаги,
сигурно ще ме цитираш усилено.
Само намигам и мина ми виното
Не че ми мина, но вече е минало

Пирамиди, фараони,
Шоколади, акордеони,
бира, миди, касетофони
Много младо момиче ме гони...

Не се бърши, когато дигам пара
Созопол и Градина са на бара
Нон-стоп е всичко, никой не спи
Наздраве за теб и твоите очи!

Гларуси минават като 3 лева на цяло.
Земи са да се почерпиш за по-гладкото
ти тяло
Жена ти се чуди, защо не може да те
събуди,
а на мен ми е трудно да те спасяя...
от скучни хора през деня,
а вечерта летни танци в пясъка...

Еоо...добър вечер! Дано е вече
We need a dollar и много жени
съблечени
Добър вечер! Дано е вечна,
че тия дни не мога да видя дори морето
